"Every Tool, Every Innovation, Every Patient: Our Promise."

About Company

Aditi Enterprises, led by Mr. Kishor Dhamne, is a prominent player in the medical equipment industry with over a decade of experience. Established in Maharashtra in 2005 and later expanding to Mumbai in 2015, the company is dedicated to providing healthcare services to providers across the region. Through strategic partnerships with leading surgical instrument manufacturers, both domestic and multinational, Aditi Enterprises ensures access to cutting-edge equipment of unparalleled quality. Focused on addressing healthcare disparities in rural and upcountry areas like Nashik, Jalgaon, and Dhule. Specializing in hi-tech medical and surgical instrument distribution, Aditi Enterprises offers a diverse array of products including diathermy by Xcellence Technologies and laparoscopic instruments by reputed manufacturers.

Our Value

Mission

Aditi Enterprises is dedicated to revolutionizing healthcare accessibility in rural and upcountry areas of Maharashtra and beyond. Through innovative medical equipment solutions and strategic partnerships, we aim to empower healthcare providers with the tools they need to deliver optimal care to underserved communities.

Vision

Our vision is to be a leading force in the advancement of healthcare delivery, bridging the gap between urban and rural healthcare facilities. By leveraging cutting-edge technology and manufacturing expertise, we strive to ensure that every individual has access to high-quality medical equipment and services, regardless of their geographical location.
